DEPARTMENT OF CHEMICAL ENGINEERING
Alumni Survey

Dear alumnus /alumna,

We need your suggestions/comments in evaluating our program by answering the short survey below. Your feedback is very valuable for us in order to continually improve our program. The aim of this survey is to evaluate how our B Tech, Chemical Engineering program has prepared you for professional life after graduation. Your responses will be kept confidential and will not be released to anyone outside the Department of **CHEMICAL ENGINEERING** without your permission.

1. Your Current position:
2. Your email address with contact no.:
3. Please indicate the year of graduation from CHEM department:
4. Employer's Address(if any)/Higher Studies:
5. Other qualifications earned after graduation: _____

P.T.O

6. Please indicate the degree to which you agree with the following statements:
 (5: strongly agree, 1: strongly disagree, NA: Not Applicable)

In the first few years after graduation from CHEM department of AGI, your	Agree-----Disagree				
	5	4	3	2	1
1. Knowledge of basic science, mathematics and engineering acquired during under graduate programme helped you for your professional growth.					
2. Analytical, design and computing skills acquired during the programme enabled you for your career advancement.					
3. Technological and managerial abilities acquired in carrying out the project work during the programme as a team member assisted you to exhibit leadership qualities					
4. Knowledge of contemporary and global issues attained through seminars, workshops, training programmes etc., during the programme supported you to actively participate in the team.					
5. Ability to take up engineering problems related to the society and offer solutions through the assignments, term paper and project work during the graduation made you to be receptive to new challenges.					
6. Exposure to advanced topics through elective courses, training programmes and industry relevant projects enabled you to be adaptive to emerging technologies.					

Would you like to add any information/comments regarding your career?
