About Anurag Group of Institutions

Anurag Group of Institutions is the most preferred institution for engineering, pharmacy and management education in the region. Anurag Group, over the past decade and half has maintained a record of crowning achievements in academics and securing high pay MNC placements for its students who have become symbols of brilliance. The institution is spreaded over 50+ acres with a total built-up area of over 700,000 sft.

AGI has 7 programs accredited by NBA. The college is awarded the Most Distinguished College Award by CSI Technxt, The Top Performing College Award for 2013 & 2015 by IBM, The Best Engineering College Award by ISTE in 2012 and is ranked 8th among the colleges in Telengana by The Week magazine.

Department of ECE

The Department of Electronics & Communication Engineering was established in 2002. The present intake of the department in UG level is 240. In 2007, M.Tech courses (VLSI System Design & Embedded Systems) have been introduced. Our Department is providing world class quality training in latest technologies to the students. Consistent growth was witnessed in development and consequently the Department was accredited by NBA in 2009 and re accredited by NBA in 2017. Very committed and experienced faculty led the students for their overall development. The infrastructure facilities are world class and the students are exposed to the latest technologies and industry environment by offering internships to bridge the gap between industry and academics. The department has strong industry interaction and MoUs with 23 core industries that includes National Instruments and Texas Instruments. The environment of the Department encourages the students to think innovatively and develop technological solutions to the society problems. Being known as the mother of all engineering courses, ECE offers a wide range of career choices in core technologies to software industry.

About the Conference

The main objective of the conference is to get exposure in recent technologies and developments in various fields of Electronics & Communication Engineering. The conference makes a platform to share and exchange ideas from the participants which also encourages the young minds to actively involve and enhance their skill and knowledge.

Call for Papers

NCISCCC-2K18 solicits original papers contributing to the theme and its sub-themes, related to the following areas, but are not limited to

- ⊙ Communications
- ⊙ Microelectronics
- ⊙ VLSI design
- ⊙ Signal processing
- ⊙ Image processing
- ⊙ Embedded system and applications
- ⊙ IOT
- ⊙ Wireless Ad-hoc networks
- ⊙ Intelligent control systems
- ⊙ Cloud computing
- ⊙ Nano technology
- ⊙ Artificial intelligence
- ⊙ Machine learning techniques

Important Dates:

Last date for Full Paper submission: 24th Jan. 2018

Notification of Acceptance: 8th Feb. 2018

Last Date for Submission of Camera Ready Paper: 19th Feb. 2018
