ABOUT INSTITUTION

An institution of excellence was established in 2005 by an educationalist and visionary Dr. P. Rajeshwar Reddy, M.Sc, Ph.D. The new venture was started to prepare the right professionals as ready to take the responsibility in the Pharmaceutical industry. The institute has been recognized by AICTE, PCI and NBA accredited. The institute runs B Pharm, M. Pharm and Pharm D courses. The main objective is to compete with global challenges in Pharmaceutical Profession. Presently, Dr. Rajeshwar Reddy is MLC and Whip, Legislative Council, Govt. of Telangana. He is very active in the planning and implementation of development activities in the state of Telangana.

Dr. Vasudha Bakshi, M Pharm, Ph. D, Dean, Anurag Group of Institutions (Formerly Lalitha College of Pharmacy), Hyderabad. The scientific contribution made by Dr VasudhaBakshi is in the form of novel innovation research, patents and technologies. She has rich experience in R&D and has been honoured with various prestigious national awards.

OBJECTIVE

The program is to provide an academically rigorous training to give the trainee outstanding skills in general pharmacology as well as advanced training in Experimental and Bioanalytical techniques. The aim of the program is to provide the trainee with the basic experimental knowledge, procedural skills, clinical judgment, professionalism and interpersonal skills required as a specialist in screening neuro and cardiovascular diseases. This training will prepare our fellows to function effectively and train them in the field of pharmacological, Bioanalytical and separation techniques for quantification of analyte in biological samples.
