Resource Person /Guest: Mr. Satya Subram .General Manager ,NCL altek.

Date: **09.12.2019**

School of Business Management organized a guest lecture on “Employability skills” by Mr. K. Satya Subram as a part of Student Development Program (SDP) with an objective to let students know the real importance of employability skills and their crucial role in an organization.

Learning’s from the session:

The main inputs from the session to the students are;

Who is a boss and who is a leader,

Who the real manager is,

Management Activities,

Management Functions,

The importance of Organizational Behavior.

The session was very useful in acknowledging the students about practical implication of employability skills in an organization.
