Venkatapur (V), Ghatkesar (M), Medchal (Dist), 500 088

R18

IV-B.Tech I-Semester Regular Examinations, Dec-2021/Jan-2022

Date: 14.12.2021

TIMETABLE

Branch	27.12.2021(MON)	29.12.2021(WED)	31.12.2021(FRI)	04.01.2022(TUE)	06.01.2022(THU)	10.01.2022(MON)	12.01.2022(WED)
	10:30 AM to 1:30 PM	10:30 AM to 1:30 PM	10:30 AM to 1:30 PM	10:30 AM to 1:30 PM	10:30 AM to 1:30 PM	10:30 AM to 1:30 PM	10:30 AM to 1:30 PM
Civil Engineering(CE)	Estimation and Costing	Construction Engineering and Management	Advanced Structural Analysis	Solid And Hazardous Waste Management	Rural Water Supply And Onsite Sanitation System / Ground Water Engineering / Repair and Rehabilitation of Structures	Environmental Impact Assessment and Life Cycle Analysis / Disaster Preparedness and Planning	Project Management
Chemical Engineering(Ch.E)	Process Instrumentation and Control	Process Modeling and Simulation	Chemical Process Equipment Design	Transport Phenomena	Design and Analysis of Experiments / Computational Fluid Dynamics	Renewable Energy Technology / Intellectual Property Rights	Python Programming
Mechanical Engineering(ME)	Robotics	Mechanical Measurements	Computer Aided Design & Manufacturing	Maintenance and Safety Engineering	Introduction to CNC / Power Plant Engineering / Tool Design	Intellectual Property Rights / Mechatronics Systems	English For Professionals / Industrial Safety and Hazard Management
Computer Science and Engineering(CSE)	Management Science	Information Security	Big Data / Distributed Systems	Internet of Things / Computer Graphics / Software Testing Methodologies	Data Science and Analytics / Cloud Computing	Negotiation Skills	-
Information Technology (IT)	Management Science	R Programming	Big Data	Internet of Things	Cloud Computing	-	Project Management
Electronics and Communication Engineering(ECE)	Microwave & Radar Engineering	Digital Image Processing	Cellular & Mobile Communication	Adhoc Wireless Sensor Networks	Machine Learning	Deep Learning	Python Programming
Electrical and Electronics Engineering(EEE)	Power System Operation & Control	Power Semi Conductor Drives	Electrical Distribution Systems	Electrical and Hybrid Vehicles	Smart Grid Technology	Utilization of Electrical Energy	-
