PRASASTHI- CAREER GUIDANCE CELL

Job Opportunities in Private and Govt. Sectors

21.08.2018

Dr. Muneender Erukula, Department of Electrical Engineering, Kakatiya University and Founder of Vishwa, the training institute has addressed the students of III year from ECE, EEE, Mech and Civil on 21st August 2018. The following points were discussed during the session:

1. The Job Opportunities in both Public Sector and Private Sector Core Companies in India
2. Advantages of research and selection procedure of direct Ph.D admissions at IITs, NITs, IIITs in India and abroad
3. Motivating the students to plan their career in advance and execute their plans.

The students were participated in good number and clarified their doubts in preparation for the examinations. The speaker has responded to their questions and also willing to clarify their doubts in future too.
