MBA in India and Abroad

31.08.2018

Dr. Krishna Narayan, Associate Vice President, Career Launch has addressed the III year students from B. Tech, B. Pharmacy on “MBA in India and Abroad” on 31st August 2018 at EEE Seminar Hall from 2.45pm onwards. Cell asked the nominations from the students to attend the program and 89 students attended and expressed their happiness for attending the same.

Mr. Krishna addressed on following points:

1. Why MBA?
2. What are the B Schools in India
3. Opportunities of doing MBA abroad
4. What are the entrance tests to be given for admission
5. Average fee structure, course details and
6. Pay packages offered to the alumni of B Schools.

Following feedback received from the students:

ECE: The session is interesting and it gave the good knowledge about the MBA program and its importance.

CIVIL: We are the students of Civil. This session very useful given by Krishna sir. He has given the guidelines to us about MBA.

Mechanical: The session is interesting and it gave the good knowledge about the MBA Program and its importance.

B. Pharmacy: It was really a very good session. We have got an idea of basic MBA. Sir has interacted well with almost all the students in a great manner. Clarified all our doubts effectively.

IT: Instructive and Informative. It was very interesting and good session. Very good and Realistic examples. Very Useful.

CSE: Had a awesome experience and got to know valuable points and current trendz. Had a good session and learned what to do.

EEE: The session is interesting and it gave the good knowledge about the MBA Program.
