A Report on Panel Discussion “How to Prevent atrocities on Women”

Name of the Activity: Panel Discussion

Title: "How to Prevent Atrocities on Women"

Date: 04.12.2019

Summary: School of Business Management organized a panel discussion on "How to prevent atrocities on women" as a part of value adding to the students with an objective to create a positive change towards society and prevent the evil that is happening to the women in the society.

Three panel teams were identified among the students and the discussion was held with the help of moderators. The discussion leads to various thoughts which enlightened the students to respect and protect the women in the society. The session objective is to make the students responsible towards the society and to prevent the atrocities happening on women.
