ABOUT THE INSTITUTION

Anurag Group of Institutions was established in the year 2002 and is one of the most preferred college in the state of Engineering education. The institute has gained autonomous stature in the year 2012 by University grants commission (U.G.C) & JNTU-Hyderabad. It is also accredited by NAAC with A grade and also all the departments are accredited by NBA. Most of the students are well settled either in some of the best M.N.Cs or pursuing their post-graduation in IIT's, NIT's & other foreign universities.

ABOUT THE DEPARTMENT

The Department of Chemical Engineering was established in the year 2004. The Department of Chemical Engineering is well equipped with state of the art facilities. The department also developed a research and development cell encouraging faculty and students to pursue higher education and research by collaborating with research organizations, industries and several national laboratories. The department also provides consultancy and testing facility to industries. (The department has also trained more than 600 employees of Dr. Reddy's Laboratories.) It is the only Chemical Department in Telangana region accredited with National board of Accreditation (NBA) under Tier-1 category.

ABOUT RASAYANIKA 2K18

Rasayanika 2K18 is a "National Level Technical Fest" organized by the Department of Chemical Engineering Student Chapter of Anurag Group of Institutions in association with Indian Institute of Chemical Engineers, Hyderabad Regional Center. It aims to encourage students to participate in national events and exchange ideas and provide a platform to exhibit their talents in the area of "Emerging Technologies for the Service of Humanity: Innovations & Opportunities".
