## **PRASASTHI- CAREER GUIDANCE CELL**

### **Research Internship in India and Abroad**

**03.08.2018**

The career Guidance cell has organised a session on “Research Internship in India and Abroad” is organised in association with career launch on 3<sup>rd</sup> August 2018. Mr. Sanjay, Associate executive has addressed the students and faculty of all the department s of Anurag Group of Institutions.

The session covered about

- The importance of internship,
- How to apply
- Availability of free and paid internships around the globe,
- Selection of internship,
- Factors to be considered for selection,
- Abroad internships.

120 students and 10 faculty members from various branches have attended the session and shown interest in registering for various internship programs. The career launch promised to open a whatsapp group to share the information.
