SDP REPORT

Name of the Activity: Pre Placement talk

Resource Person/Guest: Dr.K.Mamatha ,TPO & Prof .Satya Kiran

Date: 11.09.19

Pre Placement talk was conducted for the student development programme Dr.K.Mamatha and Prof Satya Kiran addressed the students from the placement division about the various challenges faced by Management students and opportunities of employment .They guided the students to develop the right attitude for cracking the interviews and taking right decisions towards working for the organization. It's a session which makes the students to build up the confidence and to develop different skills which are most important for the present and also for the long run.

Many real life instances were shared to experience the real essence of transforming oneself to a successful one with hard work and dedication.
