

The department is the Professional Body Member of ITC Global, an ISO 9001-2008 certified a global apex body.

Being strong credible and time tested global network in knowledge sharing, it is helping the department to showcase seminar/conference/FDP/ Research Paper Submission notification/ Conducting Online Survey etc. to 30,000+ strong management professors across India and world. The department has got support from MTC being the member of it in the following ways for the development of students and faculty as well:

1. Identification of resource persons for a guest lecture
2. Identification of Resource Persons for FDP/ National Conference programs organized
3. Information of National and International Conferences and other management activities organised by various college in and out of the state.
4. Sharing of Management games, stories, case studies and many more
