### **Representatives from University of Alabama Visit to AGI**

**03.08.2018**

The University of Alabama is an internationally renowned, public doctoral research university and academic health center. Dr. David Hofmann, Executive Director INOT and Dr. Suzanne Austin, Senior Vice Provost, Senior International Officer, Professor of Epidemiology have visited AGI on 3<sup>rd</sup> August 2018. They were in the campus till 2.00pm.

During their visit, they had a discussion with the Director and Secretary of AGI on collaboration opportunities, had an interactive session with the students from B. Tech and B. Pharmacy on various opportunities in USA to pursue their courses in MS and at University of Alabama.
